INSTRUCTIONS: Smelling Committee members are advised to borrow an audio guide or download mp3 tracks from smellingcommittee.org. The corresponding locations are suggestions only. Your duty is to mark your own findings on this map, along with any pertinent information and associations you may have with a particular odor. Please use this side to map locations, such as your own neighborhood, that are not included on the front. Members who return their findings to Storefront for Art & Architecture will be inducted into the Smelling Committee with the receipt of an official badge.
COMING SOON: Mobile phone-powered olfactory mapping at www.smellingcommittee.org! (2007, Caitlin Berrigan & Michael McBean)
